### 3/03/2026 Parks commission agenda – background information

#### **I. Item #6: Discussion/Recommendation regarding Spring Plantings by Utility Commission**

Background for Board Report:

Last year we discussed planting native plants based on Dana’s landscaping map in the garden area by the Utility Commission. I will reach out to the Director of the Utility to ensure he is still on board for this work. Per Adam, BID has agreed to water the plants while they water some of their own that are nearby. I will reach out to the BID Director to verify.

#### **Board Role:**

Provide direction on when the group would like to put plantings in.

#### **II. Item #7: Discussion/Recommendation regarding funding strategy for the installation of a divider fence at Dunn Courts**

Background for Board Report:

In 2025 pickleball courts were put in at the Dunn Courts. Some residents shared concern about there not being a divider fence. Adding one would enhance play at the site and create a safer atmosphere.

#### **Board Role:**

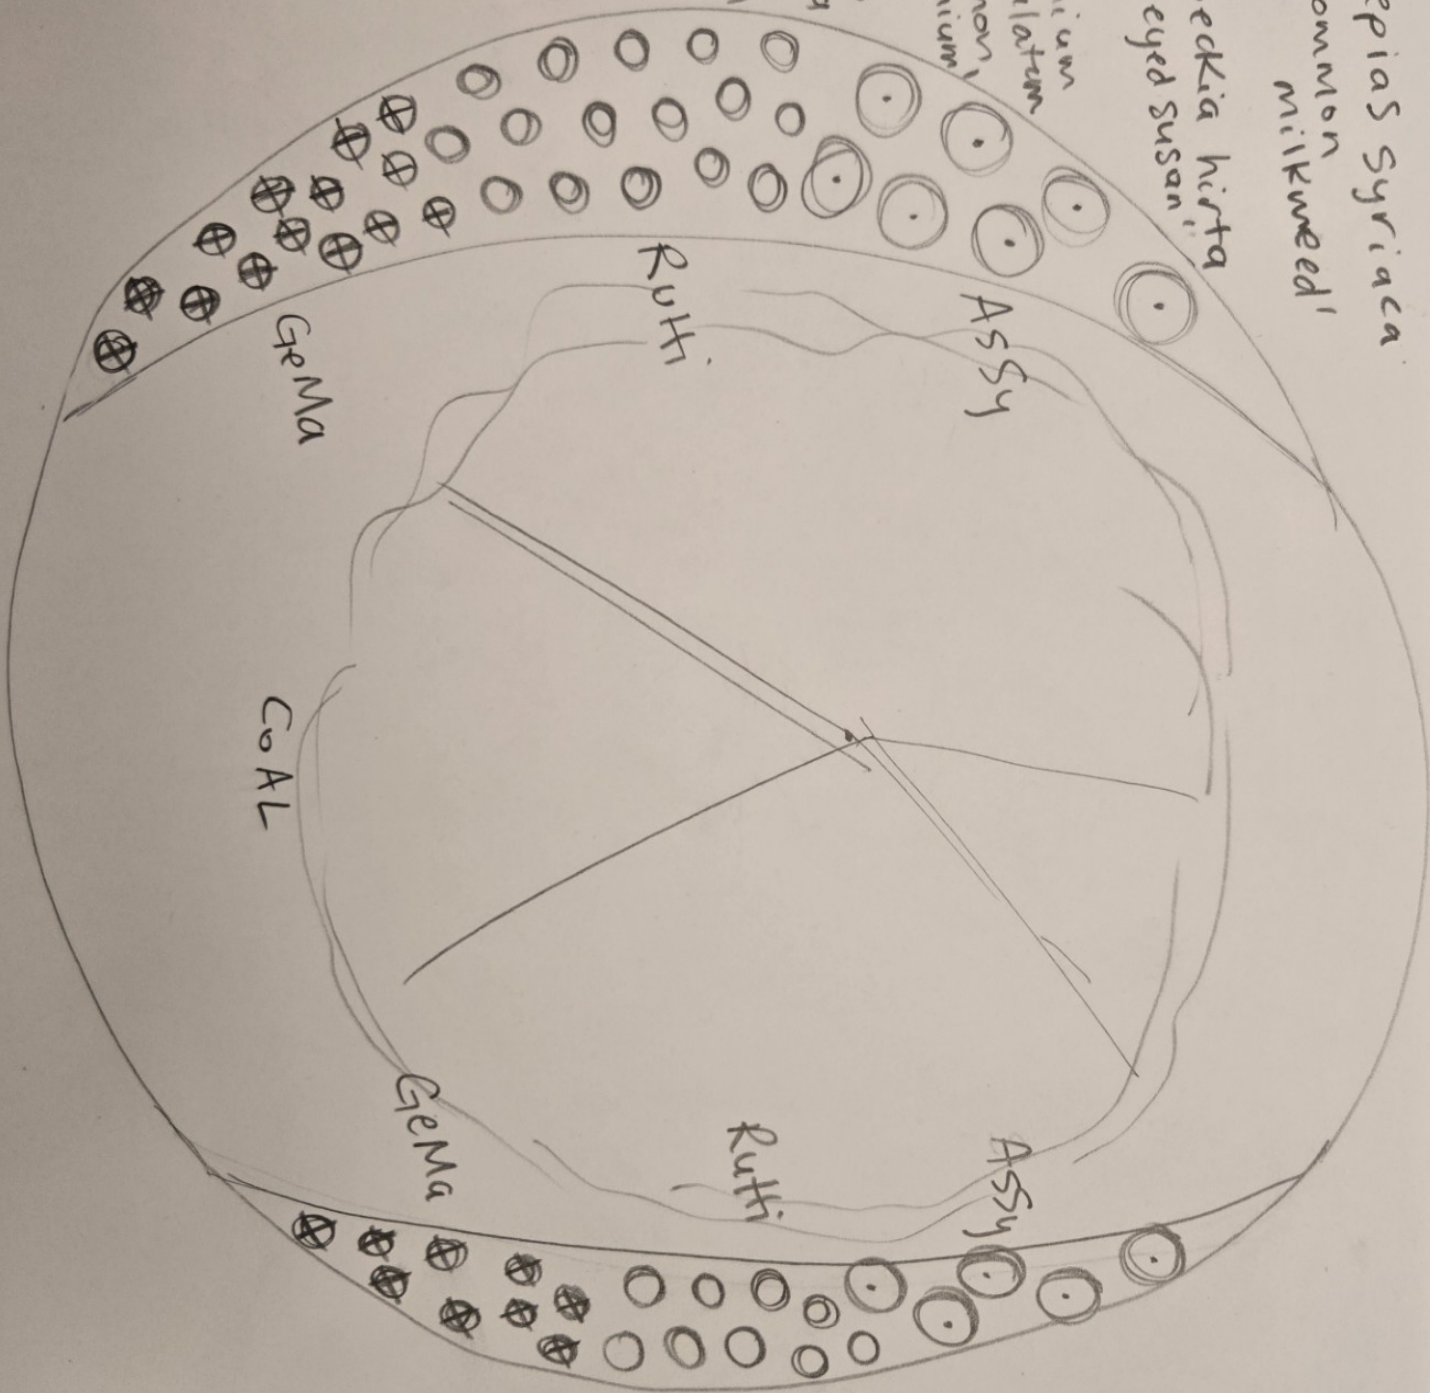

Recommend the use of impact fees for this \$8,000.00 project, if the project meets impact fee use requirements.
