Board of Park Commissioners Park Board Minutes July 19, 2022

Call to Order was made by President Cindy Feuredi at 6:30 PM.

Roll Call was made by Barbara Philipps, Secretary. Those present were Cindy Feuredi, David Quickel, Barbara Philipps, Peggy Schneider, Reg Esposito, Alderperson Cindy Yager and Mayor Charlene Klein. Those absent were Brian Olsen and Demetra Condos.

Guests attending were Michelle “Shelly” Runte, Dusti Grenu, Kameron Grenus, Lois Preusser, Kim Borghgraef, Gladys Foley, Jean Gould, Kathleen Traker, Ross Luerland, Jeff Dohse, Diane Grenus, Regina Mehring, Dan Mehring, Neil Waswo, Margaret Denten, Marty Denten, Bruce Brown, Karen Klipp.

Comments from the public as allowed by WIS. Stats. &19.84(2), limited to items on agenda except for public hearing items. Comments were limited to 5 minutes.

Diane Grenus stated she is Secretary for Never Say Never Playground and proposed Park needs signage.

Lois Preusser Spoke about pickle Ball Courts and submitted a hand out which is included in the minutes.

Karen Klipp spoke in favor of the proposed Never Say Never Playground and that the park should be for all children. She mentioned she saw a newspaper article about Lake Geneva Parks being unsafe.

There was discussion and recommendation regarding approval of the June 7, 2022 Park Board Minutes as prepared and distributed. A motion was made by Cindy to approve and seconded by Alderperson Yeager. Vote was called and approved unanimously.

Discussion and recommendation regarding park playgrounds audit and new park equipment report was given by Neil Waswo, Chief Supervisor for Parks. The Parks were cleaned, and the irrigation system had leaky valves repaired. Dunn Field restrooms were vandalized and cost City \$1300 in repairs. Restrooms were closed. The Tot Lot needs repairs. Sturwood, the teeter totters need to be removed. Park needs landscaping and wood chips. A fence is recommended.

Seminary Park is in good shape. Needs new play equipment within 5 years. Rushwood Park, Teeter totters to be removed. Needs new playground equipment within 2-3 years. There are drainage issues causing equipment to shift. Vets Park- Playground equipment needs to be removed. Peg Esposito asked how much each Park will cost. Neil: Seminary \$87-90,000. Rush-\$45-50,000. Tot Lot-needs estimate from Engineer. See letter submitted and made part of minutes.

There was a discussion/recommendation regarding Pickle Ball Court. Cindy Yeager moved to discuss Pickle at next meeting. Peg Esposito seconded. Vote was taken and carried.

There was discussion about a bench dedicated to Ed Yeager. There is a bench that has been donated and will be refurbished by Public Works and Park Board will provide a Plaque. Feuredi moved to approve and Mayor Klein seconded. Vote was called and approved.

The next meeting will be 8-16-22

Meeting was called to adjourn at 8:10 PM by Cindy Feuredi and Seconded by Mayor Klein. Vote was called and approved.

Respectfully submitted by Secretary Barbara Philipps, Secretary, Park Board

RE: September 2022 Report

OPERATIONS UPDATE

PARK OPERATIONS

The Crew pressure washed Brunk pavilion, Flat Iron Park gazebo, the Seminary shelter and they also painted the Seminary Park shelter, maintenance building and the shelter out at Veteran's Park. Crews did a good job of restoring parks, bathrooms and city areas after four major events in the parks – Concerts in the Park, Art in the Park, Venetian Fest, Labor Day weekend, plus six shelter/pavilion rentals, and weddings in the park and at the Riviera.

Playgrounds were wood chipped, Library and Flat Iron Park have been mulched, and sand was added to Rushwood Park sandbox. Bushes were trimmed in all parks, and we continue to work on pruning trees in parks. Lighting issues in Brunk pavilion were taken care of, and we've been keeping park utilities located for the dam survey and all events. Worked with contractor to install a new furnace for Library Park bathrooms and we're currently waiting on a new gas meter.

A willow tree - 48 inches in diameter fell into the river in Donian Park. We are working with the police department on the graffiti issue at the Dunn Field's skate park; three incidences marking up the cement in the bowl and surrounding sidewalk with inappropriate words/images. All but two of the lakefront crew and half of the mowing crew will be leaving. Responded to four human feces on the walls and floors in public park restrooms.

PUBLIC WORKS OFFICE & ADMINISTRATION

Held pre-event meeting with Venetian Fest staff and BID representative for Oktoberfest. Developed the BID RFP for Four Seasons with opening held on August 24, 2022 and awarded to Chris Humphrey's Contracting LLC.

NATIVE PLANTINGS

Superintendent Waswo and DPW continue to work on reducing mowing in the right of away areas throughout the city to encourage pollinator-friendly native growth.

RECOMMENDATION FOR POTENTIAL PARKS BUDGET ITEMS IN 2023

\$4500 for the 4 Seasons Sign

Tree Board Funding

Park Director

Water on Field 5 at Veteran's Park

Playground Equipment

Pickleball is the fastest growing sport in America.

People use apps such as *Places 2 Play* to find where they can find pickleball on their travels.

For years, surrounding communities have promoted access to outdoor public courts during the spring, summer, and fall.

Each community has pickleball enthusiasts who talk to public officials about the joys and advantages of outdoor pickleball courts and get the ball rolling. Many times the local recreation department is involved in the financing and coordinating of programs.

Geneva Lakes YMCA introduced **indoor** pickleball as early as fall 2014. That's where many of us learned to play. There is a base of local players interested in outdoor play.

We could learn from what others communities have done, taking their best ideas and policies, and get outdoor pickleball courts.

Lake Geneva is the only community that could have public access courts within walking distance to restaurants, retail stores, microbreweries, wine tasting venues, etc.

The requirements for outdoor pickleball courts are:

Lines painted on tennis courts.

There are commercial companies that do this work.

You can have 2 pickleball courts per tennis court (preferred)

OR 1 pickleball court per tennis court (adjusting the height of the tennis net using a strap)

Portable nets setup and taken down each time

Paddles

Some communities provide wooden paddles for community use.

Most players buy their own paddles after trying out the sport.

Pickleball balls

Some communities provide the pickleballs.

Most players buy their own.

GROWTH OF PICKLEBALL

According to the **2019** Pickleball Participant Report by the Sports & Fitness Industry Association, there are more than 3.3. million players in the United States, making it one of the country's fastest-growing sports.

SILVER SPRING, MD (Aug. 24, 2020) – The Sports & Fitness Industry Association (SFIA) has released 89 Single Sport & Fitness Reports, covering all sports and fitness activities ranging from basketball to barre to MMA fighting to scuba diving to **pickleball**, and much more. The individual activity reports provide detailed analysis, showing year-over-year trends, and breakdown of participation by a multitude of demographic variables. For example, **pickleball participation has increased 7.2 percent over the last three years**. The sport has attracted a base of wealthy, older Americans, as **38.7 percent of core participants are over the age of 65** and 49.9 percent of them live in households making over \$100,000 per year.

The USA Pickleball Association estimates that more than 4.8 million Americans played pickleball in 2021.
