Wisconsin Power & Light Company's Downtown Lake Geneva Substation

Wisconsin Power and Light Company's (WP&L) Downtown Lake Geneva Substation is nearing its end-of-life cycle and will not be able to meet the projected electrical load growth of the community in its existing condition. WP&L has taken efforts to relieve the need to upgrade the downtown substation by recently rebuilding our facilities at the North Lake Geneva Substation, located on CTY NN, just southwest of HWY 12. We also anticipate rebuilding the South Lake Geneva Substation within the next 5 to 7 years, which is located on HWY 120, between E. Townline Road and N. Bloomfield Road. Both of these efforts will not resolve the need to upgrade the Downtown Substation due to its central location.

As part of the site selection process, WP&L reviewed locations to the north and south of the existing Downtown Substation, but the sites ended up being too close to either of the above mentioned North and South substations to help with the electrical load. The slight relocation that WP&L is proposing fits into the center of the load and will help WP&L maintain system reliability. For these reasons, WP&L and the City of Lake Geneva need to collaborate on a plan to provide reliable power to the Downtown Lake Geneva area, as this substation is the direct electrical supplier to this area.

Relocating the Substation

WP&L is proposing to relocate the Downtown Lake Geneva Substation from its current location adjacent to the Geneva Lake Museum to a site north of the White River Dog Park. The following plans of this location are titled "Downtown Lake Geneva Substation Relocation".

- WP&L is proposing to acquire approximately 2.5 acres of land from the City of Lake Geneva.
- This site is adjacent to an existing transmission line which is critical for the substation. The transmission lines bring power into the community and WP&L then distributes the electrical power to each of its customer's homes and businesses.
 - If a substation site were picked that were not close to a transmission line, then the transmission line would need to be brought to the site, which then impacts more landowners due to easements and power poles.
- WP&L proposes to work diligently to install screening of the substation location.
- WP&L understands that close coordination with Lake Geneva Public Works would be completed to relocate utilities and improve access to the proposed site.
- As part of this relocation, WP&L will need to extend and reconnect the underground electrical cables into the existing system.
- Relocating the substation also prepares WP&L to support the community's future electrical needs in relationship with EV (electric vehicle) charging stations at both home and work.
- This site allows WP&L & the City of Lake Geneva the opportunity to grow with the City's future electrical needs. Whereas, expanding the existing substation site near the museum is limited to no more than a 30 year life expectancy along with removing more valuable downtown parking.
- If the substation is relocated, then the old/retired substation site could be used as additional parking or event space to further promote/enhance the historical downtown. This would assist with one of the City's Comprehensive Plan goals.

Downtown Lake Geneva Electrical Distribution Substation

Wisconsin Power & Light Company's Downtown Lake Geneva Substation

Wisconsin Power and Light Company's (WP&L) Downtown Lake Geneva Substation is nearing its end-of-life cycle and will not be able to meet the projected electrical load growth of the community in its existing condition. WP&L has taken efforts to relieve the need to upgrade the downtown substation by recently rebuilding our facilities at the North Lake Geneva Substation, located on CTY NN, just southwest of HWY 12. We also anticipate rebuilding the South Lake Geneva Substation within the next 5 to 7 years, which is located on HWY 120, between E. Townline Road and N. Bloomfield Road. Neither of these efforts will resolve the need to upgrade the Downtown Substation due to its central location.

As part of the site selection process, WP&L reviewed locations to the north and south of the existing Downtown Substation, but the sites ended up being too close to either of the above mentioned North and South substations to help with the electrical load. The slight relocation that WP&L is proposing fits into the center of the load and will help WP&L maintain system reliability. For these reasons, WP&L and the City of Lake Geneva need to collaborate on a plan to provide reliable power to the Downtown Lake Geneva area, as this substation is the direct electrical supplier to this area.

Relocating the Substation

WP&L is proposing to relocate the Downtown Lake Geneva Substation from its current location adjacent to the Geneva Lake Museum to a site north of the White River Dog Park. The following plans of this location are titled "Downtown Lake Geneva Substation Relocation".

- WP&L is proposing to acquire approximately 2.5 acres of land from the City of Lake Geneva.
- This site is adjacent to an existing transmission line which is critical for the substation. The transmission lines bring power into the community and WP&L then distributes the electrical power to each of its customer's homes and businesses.
 - If a substation site were picked that were not close to a transmission line, then the transmission line would need to be brought to the site, which then impacts more landowners due to easements and power poles.
- WP&L proposes to work diligently to install screening of the substation location.
- WP&L understands that close coordination with Lake Geneva Public Works would be completed to relocate utilities and improve access to the proposed site.
- As part of this relocation, WP&L will need to extend and reconnect the underground electrical cables into the existing system.
- Relocating the substation also prepares WP&L to support the community's future electrical needs in relationship with EV (electric vehicle) charging stations at both home and work.
- This site allows WP&L & the City of Lake Geneva the opportunity to grow with the City's future electrical needs. Whereas, expanding the existing substation site near the museum is limited to no more than a 30 year life expectancy along with removing more valuable downtown parking.
- If the substation is relocated, then the old/retired substation site could be used as additional parking or event space to further promote/enhance the historical downtown. This would assist with one of the City's Comprehensive Plan goals.

SHEET 2

ORDINANCE OF THE COMMON COUNCIL			
An ordinance amending subsection c of Section 82-61, City Forester, and subsections 7 and 13 of Section 82-63, Trees in lawn parks and public right-of-way, Article III, Forestry, Chapter 83, Vegetation, of the City of Lake Geneva Municipal Code; as it relates to the update of responsibilities of the City Forester			
Committee	Board of Park Commissioners recommended approval on June 20, 2023		
Fiscal Impact:	N/A		
File Number:	23-05	First Reading : Second Reading :	July 10, 2023 July 24, 2023

The Common Council of the City of Lake Geneva, Wisconsin, does hereby ordain as follows:

Section 82-61. City Forester

(c) Plan. The ~~e~~City ~~f~~Forester, under the direction of the ~~D~~irector of ~~p~~ublic ~~w~~orks-and-utilities, shall prepare a forestry plan which shall include one or more of the following programs: A city lawn park beautification program to provide for tree plantings, ~~and~~ replacement in lawn parks, and public right-of-ways. The program shall provide for the cost of tree planting, ~~to be borne jointly by the abutting property owner and the city, as determined by the board. After review by the Tree Board, the Park Board shall make a recommendation of the plan to the City Council. This plan shall be reviewed and updated as necessary.~~

Section 82-63. Trees in lawn parks and public right-of-way.

(7) Tree removal. ~~The park board or director of public works and utilities, on approval from the board, shall approve all~~ The City Forester shall submit to the Director of Public Works and the Tree Board, a list of non-emergency trees removals to be removed along with a brief description of the location, species, and need/cause for removal. This list shall be compiled when necessary. Trees which are cut down shall be removed with the root stump grubbed or ground out to a depth at least nine inches below grade. Surface roots beyond the main stump are to be removed to a depth at least five inches below grade. All wood and debris shall be removed from the site and no wood or debris shall be permitted to remain on the street or sidewalk when work on any day is concluded. Holes must be safeguarded by a barricade if not immediately filled. The city will fill holes as soon as ~~practicable~~ practical, which shall be topped with a minimum of two inches of topsoil and seeded with organic fill and dressed with top soil and grass seeded. The site shall be barricaded to protect the public at any time work is in progress. A permit may be issued to an abutting property owner to remove a lawn park/terrace tree, upon approval by the City Forester and the Tree Board, or the Director of Public Works in concurrence with the Park Board. The reason shall be included in the permit application. The permit shall be conditioned upon proof of liability insurance covering death, personal injury, and property loss or damage in the amount of \$250,000. Trees shall be removed without damage to the neighboring trees, asphalt, or curb and gutter. Property owners who removed terrace trees without a permit may be subject to fines including replacement costs. Private removals shall abide by the same rules listed in article (7). A permit may be issued by the board or the director, with concurrence of the board chairman, to an abutting property owner to remove a lawn park tree having a diameter in excess of six inches measured 54 inches from grade, shall also be conditioned upon proof of liability insurance covering death and

personal injury and property loss or damage in the amount of \$250,000. Trees shall be dropped away from the parkway or street to protect all other public trees. A permit may be issued by the city forester without proof of insurance for removal of trees less than six inches in diameter.

(13) Notice of planting and removal. Whenever the ~~e~~City ~~f~~Forester proposes the planting or removal (except emergency removals) of any tree, ~~he shall give two weeks'~~two weeks advance written notice shall be given by way of door hanger flyer with address, tree identification of the planted/removed tree, and the reason for the removal. White paint marks on the tree to be removed or on the ground where the tree id proposed to be planted will also be used. ~~to the owner of record or person in charge of the lot or parcel of land adjacent to the land on which such tree stands or will stand. The written notice shall advise that written, detailed objections may be sent or served upon the city forester within the two-week period. The notice shall specify in detail the street, avenue or boulevard from which trees are proposed to be planted or removed and the general nature and character of the changes and improvement contemplated. After reviewing any written objections which may be submitted, the city forester may modify planting plan or forward objections to removals to the board for final decision. The notice shall include a phone number and email address for the City Forester. Questions concerning the work must be submitted to the City Forester within two weeks of the date the notice served. After reviewing any questions submitted, the City Forester may modify the planting plan or forward objections of removals to the Tree Board or Director of Public Works for final review.~~ No prior notices by the city forester are required for the trimming of living trees or for the emergency removal of dead or dangerous trees. The absence of a timely notice shall not render any work performed invalid.

Approved by the City of Lake Geneva Common Council on this 24th day of July, 2023.

ORDINANCE OF THE COMMON COUNCIL			
An ordinance creating subsections (a), (b), and (c), Section 174, Transportation/removal of Aquatic Invasive Species, Article II, Lakes and Beaches, Chapter 90, Waterways, of the City of Lake Geneva Municipal Code			
Committee	Finance, Licensing, and Regulation Committee approved on July 5, 2023		
Fiscal Impact:	N/A		
File Number:	23-06	First Reading : Second Reading :	July 10, 2023 July 24, 2023

The Common Council of the City of Lake Geneva, Wisconsin, does hereby ordain as follows:

That the Municipal Code of the City of Lake Geneva, Wisconsin, is hereby amended by adding a section to be numbered 90-174, which section reads as follows:

Section 90-174- Transportation/removal of Aquatic Invasive Species

- (a) Prohibition against the transport of Aquatic Invasive Species. No person shall operate a vehicle or transport any boat or any water craft to or from a public highway if aquatic invasive species are attached to said vehicle, boat, or personal water craft. All aquatic invasive species shall be removed from a vehicle, boat, or personal water craft prior to placing such equipment into navigable waters.
- (b) All persons shall decontaminate their vehicle, boat, or personal water craft at a portable Boat Cleaning Station located near the public boat launch in the City of Lake Geneva, if said Boat Cleaning Station is available for use.
- (c) As used in this Section 90-174, the term "Aquatic Invasive Species" shall have the definition set forth in Wisconsin Administrative Code Section NR40.024(m), and any future amendments thereto.

Approved by the City of Lake Geneva Common Council on this 24th day of July, 2023.

Attached you'll find the amended budget for 2023 BID operations.

In the original 2023 approved budget the BID allotted \$80,000 in reserve funds for the purchase of a trolley to be given to the city as well as a line item for banners. After the quotes of a trolley transportation program was estimated at over \$200,000 from the City Streets department and the inability to support such ongoing expenses for a transportation program from the City of Lake Geneva after the BID purchases the trolley for the City, the BID has reconfigured the items below to better utilize programming and events for the remainder of the 2023 fiscal year.

STAFF

Add \$7500

SOFTWARE/OFFICE SUPPLIES

Add \$5,000 for storage unit, increased cost of having a bid phone, hosting fees, etc

MARKETING

Add \$10,000 for promotional materials, boosted ads, Holiday Open House and Maxwell Street Days

MURALS

Add \$50,000 for Murals in Motion Programming 4 murals

Staffing cost increase has been added after mandatory 6 month performance review of executive director as part of hiring contract.

Additionally, with the changes in staffing and reorganization, other expenses from previous management had to be added to this year's budget actuals. We added a po box, invested in hardware and software, purchased a phone and phone plan, then paid a few variable costs that accrued from 2022.

Intending to invest further in brand marketing, increased promotional budgets for both the holiday season and Maxwell Street Days was added at this time.

And finally in Beautification portion for murals, the BID has approved the art and design of four walls for enhancement of downtown street art. The goal is to invest in an event to continue to raise funds for future art improvements downtown.

The updated budget does not reflect the increased actuals of revenue at this time as it will fluctuate by end of the year. From event revenues we anticipate a much larger gross revenue collection from Wine Walk and Oktoberfest with a marginal decrease in expenses.

Thank you,

Alexandria Binanti, Executive Director of Lake Geneva Business Improvement District

Special Assessment Report for Sidewalk Replacement & Installation

2023 Street Improvement Program

City of Lake Geneva
Lake Geneva, Wisconsin

Project No. 23.0150

4/13/2023
REVISED 05/04/2023

REPORT ON PROPOSED SPECIAL ASSESSMENTS FOR PUBLIC IMPROVEMENTS AGAINST PROPERTIES LOCATED IN THE CITY OF LAKE GENEVA, WISCONSIN

Pursuant to the provisions of Section 66.0703 of the Wisconsin Statutes, Section 62-96 of the Lake Geneva Municipal Code, and pursuant to the Preliminary Resolution adopted by the City of Lake Geneva Common Council on the date of April 10, 2023, the undersigned hereby files with the City Clerk of the City of Lake Geneva, located in Walworth County, Wisconsin, this report regarding the 2023 Street Program and its related Special Assessments.

Each of the real properties described herein against which the Special Assessments will be levied is benefited by this project, and this construction project is being done as an exercise of the police power of the City of Lake Geneva, Wisconsin, as allowed in Section 66.0703 of the Wisconsin Statutes.

The special assessments for each benefitted property are described in the *Assessment Schedules A, B, C and D* attached to this report.

This project proposes to complete public sidewalk connections along the north side of Baker Street, and spot replacements of sidewalk panels on Wheeler Street, Henry Street, Center Street, North Street, Madison Street, Warren Street, Wells Street, Williams Street and Dodge Street. The benefit of sidewalks improves and protects the health, welfare, and safety of pedestrians in the community. It is the Cities intent that a City-wide sidewalk system be in place and that all residents have access to this sidewalk system. For portions of the system that are not completed or in disrepair, special priority is to be given to sidewalks needed on the Safe School Routes and to accommodate pedestrian traffic on major arterial and collector streets.

Method of Determining Assessment. The City of Lake Geneva's policy is to assess 0-100% of the total construction costs, for new sidewalk and/or sidewalk replacement to the benefited properties on a square foot basis and an additional 2% of the contract costs to cover engineering, testing, and administrative costs.

This report consists of the following schedules attached hereto:

Schedule A – Terms of Special Assessment (Revised 05/04/2023);

Schedule B – Five (5) pages of exhibits showing all properties for the 2023 Street Improvement Program sidewalk special assessment;

Schedule C – Estimated Cost of Proposed 2023 Street Improvement Program sidewalk special assessment per parcel (Revised 05/04/2023);

Schedule D – Preliminary Plans for proposed public improvements entitled 2023 Street Improvement Program (Revised 05/04/2023)

SCHEDULE A- Terms of the Special Assessment

1. The total estimated sidewalk project cost is \$47,747.32 which will be assessed on the benefitted properties. The City of Lake Geneva (the “City”) will pay for the cost of replacing sidewalk fronting city owned properties. The remaining estimated balance of the project will be assessed on the benefitted properties on per square foot basis along abutting property owner/s frontage. The total cost of the public improvements associated with the 2023 Street Improvement Program is estimated at \$1,179,720.20.
2. There are Ninety-Nine (99) benefitted properties (the “Benefitted Properties”) in this Project. The Ninety-Nine (99) Benefitted Properties are described in attached **Schedule C**.
3. A Benefitted Property owner may pay the full assessment to the City, without any interest thereon, on or before the date of **November 1, 2023**. If such special assessment is not paid in full to the City on or before **November 1, 2023**, then the said special assessment shall be placed on the tax roll of the Benefitted Property over **ten (10) years**, in the manner described in below Paragraph 6.
4. The special assessment amount shall be levied on each Benefitted Property, commencing with the **2023 tax** roll for the Benefitted Property. Commencing on the date of **January 1, 2024**, interest shall accrue on the unpaid amount of the special assessment at the rate of Five Percent **(5.0%)** per annum until paid in full. The total assessment amount, plus accrued interest, shall be paid in **Ten (10) equal annual installment payments** on the tax roll of the Benefitted Property, with such first annual installment payment to be placed on the **2024 tax roll**, and with the final, tenth annual installment payment placed on the **2034 tax roll**.
5. The special assessment, plus accrued interest, may be paid in full at any time by the Benefitted Property owner.
6. Pursuant to Section 66.073(11), Wis. Stats., if the final Project cost is less than the estimated Project cost used for the purposes of this Report, then the special assessments levied based on the Report’s estimated Project cost shall be proportionately reduced, in the manner provided for in that statute.

16 ACCESSIBILITY RAMP DETAIL WITH TRUNCATED
N.T.S. DOME DETECTABLE WARNING FIELD

GENERAL NOTES

TRUNCATED DOME DETECTABLE WARNING FIELD SHALL CONSIST OF CAST IRON PLATES WITH A FEDERAL YELLOW POWDER-COATED FINISH, SUCH AS THOSE MANUFACTURED BY NEEHAH FOUNDRY. IF 24"x60" PLATES ARE NOT AVAILABLE, TWO 24"x30" PLATES SHALL BE USED. THE DETECTABLE WARNING FIELD SHALL BE LOCATED SO THAT IT IS CENTERED IN THE CURB RAMP WITH THE EDGE NEAREST THE BACK OF CURB A MINIMUM OF 6" AND A MAXIMUM OF 8" AWAY FROM THE BACK OF CURB. IN LOCATIONS WHERE THE RAMP IS SKEWED TO THE CURB, THE DETECTABLE WARNING FIELD IS TO RUN PERPENDICULAR TO THE DIRECTION OF TRAVEL, WITH THE EDGE NEAREST THE BACK OF CURB 4" AWAY FROM THE BACK OF CURB.

To; PWC
From; DPW
Re; Capital Improvement Fund

25 June 2023

In 2019 DPW placed \$30,000 in the Capital Improvement Fund for two (2) park RTV's. Quotes at that time were between \$11-13,000 each. The Budget was approved by Council.

Current market prices have elevated to \$16,344.56 each. Total for the 2 machines is \$32,669.12. This price is from the Sourcewell Cooperative Agreement for Wisconsin Municipal governments. Three different machines were considered as are in the PWC packet; Toro Workman, \$31,500. Kubota X1100, \$22,050, Kubota RTV 520, \$16,334.56 each.

The City has left over funds from the 2 pickup trucks ordered in March which presented \$16,025.00 under budget.

The RTV's are badly needed for the ever-increasing seasonal park duties in the City. DPW recommends approval.

Respectfully submitted;

Tom Earle, DPW

Order Acceptance Agreement

Due to pricing volatility, Reinders reserves the right to re-price all orders based on the current manufacturers configured price at the time the product becomes available.

Prices and terms on this proposal are not subject to verbal changes or other agreements unless approved in writing by the seller. All proposals and agreements are contingent on availability of product from the manufacturer. Typographical errors are subject to correction. Purchaser is responsible for applicable taxes. Financed product will require lease company approval prior to delivery. Net 30 terms will require a signed UCC form prior to, or upon delivery in order for transaction to be complete. **1% service fee will be added to all credit card transactions.**

By signing below, I acknowledge that I have reviewed the quote in its entirety and I commit to the purchase as detailed on the quote above. I reserve the right to opt out of intended purchase at any time prior to scheduled delivery. Unless otherwise indicated I agree to accept delivery on the earliest date that this product can be shipped to our location. **All trades associated with this order are required to be ready for pickup and in the same condition we originally evaluated them in.**

City of Lake Geneva

Department of Public Works

1065 Carey St.

Lake Geneva, WI 53147

262.248.6644

To; Lake Geneva City Council

12 June 2023

From; DPW

Re; Logan St vacate

DPW has had issue with the proposed section of the unimproved Logan St Right of Way for years. The eastern portion between CTH H and Horace St was vacated in the 1980's and given to the Lutheran Church for a parking lot expansion. This action essentially sealed the west portions fate as there is no other form of ingress without scaling a concrete block wall installed by Walworth County in the Right of Way. This wall was to overcome significant grade issues for the sidewalk which leaves the portion of the Logan St. Right of Way unusable by the City.

Significant work is performed by the DPW each year in snow plowing and maintaining the sidewalk along the Right of Way as well as tree work. There remains no access to the property for machines unless we traverse private property as the grade and wall prevent access. Please see attached pictures.

DPW recommends approval of the vacate at this time.

Respectfully submitted;

Tom Earle, DPW

Memo to City of Lake Geneva

To: Attorney Draper **Date:** June 29, 2023

From: Naomi Rauch, P.E.
Gary Splinter, PLS

CC: Dave Nord – City Administrator
Nan Elder – DPW
Tom Earle – Director of Public Works

Subject: Logan Street Vacate – June 20th FLR Agenda
Kapur Project #22.0161 PHSE 01

On September 27, 2021 the Public Works Committee voted unanimously to explore vacating an unimproved section of Logan Street, see Exhibit A attached. The existing right-of-way does not contain any public infrastructure and is a continuous maintenance concern for the city. As is the city is responsible for any fallen or dead trees, mowing, and trash cleanup.

Kapur has reviewed the available information and determined the following:

1. Logan Street was initially part of the Wheeler Addition subdivision, see Exhibit B. As per stat. 66.1005 (1) the lands shall be annexed to the original owner, which in this case would be the subdivision owners to the south. All the land in the discontinued roadway should be added to the parcels on the South (original lots for Wheeler Addition). Tax parcel ZYUP 00043 has a legal description that includes the North half of Logan Street; however, the filing of the Wheeler Addition subdivision would have dedicated to the public the entire Logan Street right of way.
2. There are no known utilities within the existing right-of-way.
3. The area at the intersection of Logan and CTH H should be discontinued so that any anticipated widening of the future CTH H right of way could be accommodated.

Upon approval:

4. There are 2 different procedures to accomplish the discontinuance. By petition or by common council resolution. The procedure will be determined by the City Attorney.
5. Field work is recommended to set the “new corners” as needed.
6. We recommend a plat or plats of survey be prepared to show what was found and located and the new corners set.

Estimated cost not to exceed: **\$10,000**

ss. I hereby certify that I surveyed the following described lands to wit:
Commencing at the north east corner of Watson's Addition to the village of
Geneva - To locate said corner commence at the quarter section corner the west line of Section
twenty five town 2 North of Range 17 East in the County of Walworth and state of Wisconsin; thence
east in the east and west quarter line of said section 12.67; thence S 1° N 11.56 chains to a stake and stone,
being said north east corner; thence N 1° E. in the center of Madison street 810 feet; thence west to
the center of the Geneva and Elkhorn road; thence S. 88° E. in the center of said road to the northwest
corner of Watson's addition aforesaid; thence east in the north line of said addition 114.13 chains to the
aforesaid place of commencing. Further that I subdivided the above described lands into lots and
streets as represented on the within map and made the within by the order and under the direc-
tion of Jonathan Wheeler of Geneva Walworth County Wisconsin. Further that the within map is
a true and correct representation of the exterior boundaries of the above described land
and ^{of all} the divisions thereon and thereof made. Further that I have fully complied with the require-
ments of the statutes under which the survey and map are made. All lots are 66' by 165' unless
otherwise noted on the boundaries thereof. The streets are 60' wide.

Dated at Geneva this 2nd day of Dec A.D. 1885.

Warren Beckwith Surveyor.

I, Jonathan Wheeler of the Village of Kenosha in the County of Walworth and State of Wisconsin do hereby
certify that I caused the land described in the foregoing Certificate of Warren Beckwith Surveyor
to be surveyed subdivided and mapped as represented on the within for the purposes of convenience
and certainty of description in the sale and assessment of the lots therein contained
In witness whereof I have hereunto set my hand and seal this 2nd day of December A. D. 1885 -
Jonathan Wheeler 

In presence of

6. a. Since filing of the last application, has the named licensee, any member of a partnership licensee, or any member, officer, director, manager or agent for either a limited liability company licensee, or nonprofit organization licensee been **convicted of any offenses** (excluding traffic offenses not related to alcohol) for violation of any federal laws, any Wisconsin laws, any laws of other states, or ordinances of any county or municipality? **If yes, complete page 3** ☐ Yes ☒ No
- b. Are **charges for any offenses** presently **pending** (excluding traffic offenses not related to alcohol) against the named licensee or any other persons affiliated with this license? **If yes, explain fully on page 3.** ☐ Yes ☒ No
7. Except for questions 6a and 6b, have there been any changes in the answers to the questions as submitted by you on your last application for this license? **If yes, explain** ☐ Yes ☒ No
- _____
- _____
- _____
8. Was the profit or loss from the sale of alcohol beverages for the previous year reported on the Wisconsin Income or Franchise Tax return of the licensee? **If not, explain** ☒ Yes ☐ No
- _____
- _____
- _____
9. Does the applicant understand they must hold a Wisconsin Seller's Permit? ☒ Yes ☐ No
[phone (608) 266-2776]
10. Does the applicant understand that alcohol beverage invoices must be kept at the licensed premises for 2 years from the date of invoice and made available for inspection by law enforcement? ☒ Yes ☐ No
11. Is the applicant indebted to any wholesaler beyond 15 days for beer or 30 days for liquor? ☐ Yes ☒ No
12. Does the applicant owe municipal property taxes, assessments, or other fees? ☐ Yes ☒ No
(Note: Renewal of licenses may be denied pursuant to a local ordinance, if the licensee owes municipal taxes, assessments or other fees).

READ CAREFULLY BEFORE SIGNING: Under penalty provided by law, the undersigned states that each of the above questions has been truthfully answered to the best of the knowledge of the signer. The signer agrees that he/she is the person named in the foregoing application; that the applicant has read and made a complete answer to each question, and that the answers in each instance are true and correct. The undersigned further understands that any license issued contrary to Chapter 125 of the Wisconsin Statutes shall be void, and under penalty of state law, the applicant may be prosecuted for submitting false statements and affidavits in connection with this application. Any person who knowingly provides materially false information on this application may be required to forfeit not more than \$1,000.
