Lake Geneva City Council
626 Geneva Street
Lake Geneva, WI 53147

Lake Geneva City Council:

Hello, again! Although I really didn't expect to write to you again, my understanding is that you are voting at your June 13th meeting, again, on increasing the City of Lake Geneva's financial commitment to the traffic signal on State Highway 120 and Bloomfield Road. We were very grateful that the City of Lake Geneva Finance Committee approved and recommended an additional $50,000 allocation to this project at their meeting on May 3, 2022 and the City Council approved and committed that amount at their May 9, 2022 meeting. Once again, I recognize your right to act as you see fit, but certainly hope that you will reaffirm that commitment.

I am pleased that this project is underway and know it will benefit the Lake Geneva community and, yes, others, and our schools will be able to accomplish our number one safety issue. I also understand the argument about who should pay for this project. Our school districts' certainly initiated the process to get this safety issue addressed, but we were in close collaboration with many City of Lake Geneva officials in fulfilling the need that both entities recognized. I have included the minutes of the October 4, 2018 (yes, it has been that long ago…and longer) Walworth County Traffic Safety Committee minutes for your review. You will see information on who attended from the schools and City of Lake Geneva officials as well as citizens of our community all favoring this project. You will also see a motion made to approve that installation by the Walworth County Traffic Safety Committee. Interesting that the DOT representative, Eric Perea, informed the committee that, indeed, the intersection did warrant installation of traffic signals after initial information stated otherwise.

I only provide this information as a backdrop. The question we are facing is who should pay for this project. If you say the City of Lake Geneva shouldn't have to pay, I can agree. If you would say the schools shouldn't have to pay for this project, I think we could all agree. If fact, it probably is the first time that a school district(s) has done this. The State of Wisconsin should be paying…..but they're not. With that, I continue to work to seek some relief from the State for their costs that are in excess of $82,000 with no concluding response at this point. So, if we want to protect the students, staff, parents, residents, etc., it is all in our hands. We have to pay the freight. It is only by our joint effort that this is happening in the first place.

In conclusion, our school districts sincerely hope that the Lake Geneva City Council will reaffirm their additional $50,000 that they committed to this project on May 9th. Once again, the good news is that this project will get accomplished and, at least in my opinion, will save lives. If that is true, it is something we can all agree is a good thing. Thank you for consideration of this request.

Sincerely,

Dr. James Gottinger
District Administrator

Walworth County Traffic Safety Commission
MINUTES
Thursday, October 4, 2018 - 9:00 AM

Dept. of Public Works – Highway Operations Center

The meeting was called to order at 9:00 AM by Capt. Gerber with a quorum present.

Present: Capt. Dave Gerber, Sgt. Bill Melloch, Nancy Russell (County Board Chair), Erica Bergstrom (Public Health), Joseph Davis (Bureau of Transportation Safety-BOTS), Dale Wilson (interim Director DPW/Central Svcs.), Sgt. John Wolfe (State Patrol), Eric Perea (DOT), Tom Anthony (Gateway), Gina Carver (Medical Examiner's Office), Sheriff Kurt Picknell, Rich Hough (newly appointed Director DPW/Central Svcs), Andrew Herrmann (DA's Office)

Also present: Randy Wiessinger (BOTS), Juner Schulz (State Patrol), David Fowles (State Patrol), Kurt Schultz (CESA Gov. Council), Greg Trush (Vlg. of Williams Bay), Ricardo Sanchez (FCCLA Badger High School, Yvonne Reyes (FCCLA Badger High School), Jim Gottinger (Lake Geneva Schools Superintendent), Tom Hartz (Lake Geneva Mayor), Brian Pollard (Fairwyn Dev.), Richard Austin (Golden Years), Don Jensen (Town of East Troy PD Chief), Bridgett Way (City of Lake Geneva), Jim Gaugert (citizen), Jeri Gaugert (citizen), Paul VanDeBerg (Immanuel Lutheran Church), Tyler Leech (Little Sprouts Learning Center), Dee Grovings (Badger High School), Kara Richardson (Lake Geneva PD), Michael Rasmussen (Lake Geneva PD Chief), Travis Northern (Lake Geneva Regional News), Dennis Hines (Lake Geneva Regional News)

Absent/Excused: Wendy Werner, Judge Drettwan, Sgt. Alan Gorecki, Chief Brad Buchholtz

Approval of Agenda – Gerber requested that Item 8a be moved to Public Comment section as numerous persons were in attendance to speak on this topic. **Motion and second by Russell and Picknell to approve the agenda, all in favor, motion carried.**

Approval of July 5, 2018 minutes – **Motion and second by Melloch and Anthony, all in favor, motion carried.**

Gerber welcomed Rich Hough, newly appointed Director DPW/Central Svcs and Walworth County Highway Safety Commissioner as a new TSC member. Interim director Dale Wilson was thanked for his service. Also informed everyone that Judge Drettwan will replace Judge Koss as a member of the TSC as the Judges agreed on reassigning their roles.

Public Comment – Greg Trush, Williams Bay trustee, spoke regarding concerns on Hwy 67 at Theater Road. He discussed the number of crashes (he said approx. 6 per year) and the dangerousness of that intersection. Variables in play are the Williams Bay High School, Faith Christian School, Aurora University events, and subdivision growth which lead into that intersection. Speed limit on hwy 67 is 35 MPH and DOT showed 3 crashes since 2015. **Motion and second by Melloch and Anthony to have DOT review that intersection at times when school is in session. Perea said it may be delayed to request a specific time of the study. All in favor, motion carried.**

Chief Rasmussen from Lake Geneva PD, School Superintendent Jim Gottinger, and Lake Geneva Mayor Tom Hartz spoke regarding traffic safety concerns on Hwy 120 (Edwards Blvd.) at Bloomfield Road. They explained all the factors that affect that intersection such as the Lake Geneva

middle and high schools, a church, and local traffic. Problems are primarily at the start and end of school as well as church traffic on Sundays. A study was conducted by a group of high school students and attached. The study supports the installation of traffic lights. **Motion and second by Melloch and Russell and Sheriff Picknell to install traffic lights.** Discussion ensued and Perea informed everyone that the last study was conducted in the recent past and DOT states the intersection does warrant and meet requirements for traffic lights, however funding is the issue. The Lake Geneva mayor said he was not aware the lights met the requirements and was approved by the DOT. Cost estimates were discussed and estimated at approximately $750,000. City of Lake Geneva will need to find a funding source for this project. Also, DPW agreed to look at trimming the foliage on the northwest corner and a little north to remove foliage issues looking north from Bloomfield Road headed east. Sheriff will deploy extra patrol squads on Hwy 120 in that area to enforce speed limits. The students' study showed numerous cars exceed the posted speed limit in that area.

Dale Wilson shared concerns from the Town of LaGrange about the intersection of Hwy 12 at Territorial Road. Discussion regarding the geography of that intersection as well as signage and foliage issues. Perea said the DOT is responsible for that intersection. **Motion and second by Wilson and Melloch to have DOT study the intersection, all in favor, motion carried.**

Reports, Correspondence, Updates

Transportation Safety report and Highway Safety input – Davis spoke about the success of the Governor's Conference on August 21-23 at the Grand Geneva and thanked everyone for their support. Enforcement grants are out and deployed in Walworth County. Davis spoke regarding the request for more municipal chiefs to attend the TSC and Sheriff Picknell will have Davis speak at the November Walworth County Executive Law Enforcement Association meeting.

Wiessinger also encouraged more participation from area chiefs and also possibly have the students who presented their study of Edwards Blvd. at Bloomfield Road to be more involved with the TSC. Kurt Schultz (CESA) stated the same thing and said their work is nationally recognized in the area of teen safe driving. Gerber agreed as did TSC members and will reach out to them.

Currently 443 fatal crash deaths in WI as compared to 441 this time last year. 5% below average statewide. Locally Walworth County averages 16 crash deaths annually and currently have had 8 this year. Statewide there were 4 bicycle crash deaths reported in 2017 and 5 so far this year.

Teen safety driver week is Oct 21-27 2018 see trafficsafetymarketing.gov for more info.

Chairman's Report – Gerber thanked BOTS for allowing us to be part of the Governor's Conference on Highway Safety. Joe Davis informed the TSC that the presentation by the Sheriff's Office, Medical Examiner's Office, Flight for Life and others has been requested and will be presented to the WI State Patrol at the next recruit academy in 2019. Also thank you to Erica at Public Health for safety info to be placed on our Facebook Page. The Sheriff's Office will continue to place traffic safety information on its Facebook page and just posted a law change from 2016 prohibiting hand held devices in work zones.

OWI Task Force – Gorecki was not present. Gerber said Walworth County is working Traffic Grants along with all Walworth County police departments.

Medical Examiner's Office – Carver handed out a fall newsletter and spoke on the upcoming fall training for police as well as spring 2019 training.

Community outreach/education – Bergstrom spoke regarding teen driving week and provided a handout of information. Bergstrom also spoke regarding winter weather driving and will speak to Deputy Dan Nelson about including the "Trunk Junk" initiative with him and combining it with Child Safety Seat deployments.

Unfinished Business – Perea spoke about concerns on Hwy 12/67 at Hwy A as well as Hwy ES. This combines items A and C. Perea states Hwy A at Hwy 12/67 is flagged for stop lights in 2021 if funding is not pulled. Hwy ES at Hwy 12/67 does not quite warrant a signal based on data, but he feels it is close. Both need funding and the funding keeps getting pulled. Discussion regarding overall issues related to the Hwy 12/67 corridor and heavy traffic volumes especially Fridays and Sundays. All intersections between Elkhorn and Whitewater are issues as discussed prior in the meeting at Territorial and 12/67. Perea recommended a letter on behalf of the TSC to the Governor. Gerber will work on a draft with Russell and Werner for next meeting.

Dale Wilson provided an update to CTH B in the vicinity of Lange Road into the entire "s-curve". Wilson said DPW trimmed trees and installed hidden driveway signs. He asked the TSC if we felt 45 MPH cautionary signs were warranted. **Motion and second by Melloch and Picknell to have DPW install the 45 MPH cautionary signs in the area of the S curves, all in favor, motion carried.**

Perea updated on the pedestrian crosswalk on Hwy 67 at Fontana Blvd. Perea said they sent a permit for approval letter to Jim Frost on May 7, 2018 for the Village of Fontana to approve the DOT to install and they have not heard back. Gerber will let the Fontana PD Chief know.

New Business – Melloch and Wilson reported trees were cut at the intersection of Hwy J at Hwy E and since that time no further crashes have occurred. Wilson also stated DPW installed a 45 MPH advisory sign in the area as well as painted stop bars at the stop signs at that intersection. DPW felt these improvements were sufficient and does not recommend a 4 way stop sign.

Gerber and Wilson spoke regarding an issue reported by a citizen on Hwy P near Hackett Road of a passing zone near a hill and a curve. DPW has painted the whole stretch double yellow no passing zone to prevent crashes.

Quarterly fatalities/update
Wolfe (State Patrol) reported on two fatalities they investigated:

1) 8/12/18 at 8:39 AM at Hwy 12/50 where a dump truck crashed and the driver was killed. Investigation revealed the dump truck missed its turn to the off ramp and over-corrected causing the dump truck to roll over. Driver who was sole occupant was killed. No seatbelt was worn and toxicology results are pending.
2) 9/13/18 at 1:40 PM Pell Lake Drive at Hwy 12. One car crashed into the support column for the bridge over Hwy 12. Ruled a suicide with significant speed.

The Town of Delavan covered a fatal crash regarding an 18 year old male who jumped out of a moving car in front of 5020 Hwy 50. Reports started he was not suicidal and wanted to get out of the car from girlfriend. Speed was reported at approx. 45 MPH.

Melloch reviewed the following fatality:

- 6/29/18 at 3:44 PM a motorcycle was eastbound on Bray Road and was struck by a westbound vehicle who was pulling into a drive in the path of the motorcycle. The driver was helmeted but lost his leg and was flighted. He died of his injuries on July 12, 2018.

2019 meeting dates are: January 3, April 4, July 4, and October 3. We will need to reschedule the July 4 meeting.

Next Meeting Date – **Thursday, Jan 3, 2019 at 9 AM at Department of Public Works**

Adjournment – **Motion and second by Perea and Melloch, all in favor, meeting adjourned.**

Submitted by Captain Dave Gerber. Minutes are not final until approved by the Commission.

Absent: Yager (excused)

Awards, Presentations, Proclamations, and Announcements
Presentation of City of Lake Geneva 2021 Audit and Management Letter
Brian Anderson with WIPFLI reviewed the audit and management letter before the Council. He stated that the City has received a clean, unedited opinion. He added that the City's net position is positive. He stated that the City's budget for both revenues and expenditures were both very close; very few accounts went over budget and some revenue accounts exceeded their budget as well. He stated that there are no internal control issues to be communicated within the management letter. He concluded that the audit, especially for the first year with WIPFLI, went smoothly and thanked Finance Director Hall for her expertise and hard work. Hedlund thanked Finance Director Hall for all of her hard work and stated that since she was here the audits have been great. Mayor Klein also thanked Finance Director Hall for her time and that the City owes her a great deal of gratitude. No action taken.

Re-consider business from previous meeting
Motion by Howell to reconsider the $50,000 allocated for the traffic light located at Bloomfield Rd/Edwards Blvd, second by Hedlund. Hedlund stated that he would like to see this reconsidered so that the school could tax the other bodies that would benefit the light's installation. Motion carried on a roll call vote 4-3, with Fesenmaier, Howell, and Straube voting no.

March 25, 2022

City of Lake Geneva
City Clerk – Lana Kropf
Assistant City Clerk – Vanessa Jahns

Dear City of Lake Geneva,

McHenry County Farm Bureau & McHenry County Antique Farm Equipment Association will be holding their 20th annual Tractor Trek for Ag in the Classroom on Saturday, July 16, 2022. The events purpose is to raise funds for the Ag in the Classroom program and create agricultural awareness. We would like to make a return trip to your city for our big anniversary (first visit was 2010 and we loved it so much we came for our 10-year event two years later).

We worked with the Tourism Board on prior events, and they did an awesome job of coordinating everything with the city, chamber, police, media, etc. We also worked with Lake Geneva Cruise Line and Popeyes and they did a great job with our sizable group (100 or so tractors/drivers, 12 support team members, and another 30-40 guest that joined for the tour and meal) and we would like to work with them again this year. Additional people made a special trip to town just to view the antique farm tractors that were gathered at Flat Iron Park. Others literally followed us to our beautiful destination (it is pretty easy to keep up with us, we run about 12 mph).

We made our first request to Visit Lake Geneva in 2020 and we understood the ongoing uncertainty at the time and the need to follow back. We followed up in July of 21 and eventually connected with Deanne Goodwin and communicated with her until February of 2022, when we received correspondence from her stating that "We can no longer apply for permits on the Farm Bureau's behalf like the Chamber did previously." She did mention that they could certainly promote the event, but we (Farm Bureau) would need to work through the city for the use of the park, police support, etc.

My volunteer committee was disappointed with the change, but they wanted to push ahead with a formal request to see if can bring the event back in 2022. I have included some pictures, a prior route (2010) and map (2012) to give you a little better perspective of the event.

We look forward to hearing from you.

Sincerely,

Dan Volkers

(b) **Outdoor Storage or Wholesaling**

Description: Outdoor storage and wholesaling land uses are primarily oriented to the receiving, holding, and shipping of packaged materials for a single business or a single group of businesses. Such a land use, in which any activity beyond loading and parking is located outdoors, is considered an outdoor storage and wholesaling land use. Examples of this land use include contractor's storage yards, equipment yards, lumber yards, coal yards, landscaping materials yard, construction materials yards, and shipping materials yards. Such land uses do not include the storage of inoperative vehicles or equipment, or other materials typically associated with a junkyard or salvage yard (See Subsection (d), below.)

1. Permitted by Right {HI, EX}:

21. That subsubsection (c) Personal Storage Facility of subsection (5) Storage or Disposal Land Uses of Section 98-206 Detailed Land Use Descriptions and Regulations of the City of Lake Geneva Zoning Ordinance is hereby amended to read as follows:

(c) **Personal Storage Facility**

Description: Personal storage facilities are land uses oriented to the indoor storage of items entirely within partitioned buildings having an individual access to each partitioned area. Such storage areas may be available on either a condominium or rental basis. Also known as "mini-warehouses".

1. Permitted by Right: Not applicable.
2. Conditional Use Regulations {~~GB,~~ PI, GI}:
    a. Facility shall be designed so as to minimize adverse visual impacts on nearby developments. The color, exterior materials, and orientation of proposed buildings and structures shall complement surrounding development.
    b. Facility shall provide a bufferyard with a minimum opacity of .80 along property boarders abutting residentially zoned property (see Section 98-610).
    c. Shall comply with Section 98-905, standards and procedures applicable to all conditional uses.

d. No electrical power shall be ran to the storage facilities, except for exterior lighting.

3. Parking Regulations: One space for each employee on the largest work shift.

22. That subsubsection (d) Junkyard or Salvage Yard of subsection (5) Storage or Disposal Land Uses of Section 98-206 Detailed Land Use Descriptions and Regulations of the City of Lake Geneva Zoning Ordinance is hereby amended to read as follows:

(d) **Junkyard or Salvage Yard**

Description: Junkyard or salvage yard facilities are any land or structure used for a salvaging operation including but not limited to: the above-ground, outdoor storage and/or sale of waste paper, rags, scrap metal, and any other discarded materials intended for sale or recycling; and/or the collection, dismantlement, storage, or salvage of 2 or more unlicensed and/or inoperative vehicles. Recycling facilities involving on-site outdoor storage of salvage materials are included in this land use.

1. Permitted by Right: Not applicable.
2. Conditional Use Regulations {~~RH and HI~~ EX}:

23. That subsubsection (e) Waste Disposal Facility of subsection (5) Storage or Disposal Land Uses of Section 98-206 Detailed Land Use Descriptions and Regulations of the City of Lake Geneva Zoning Ordinance is hereby amended to read as follows:

(e) **Waste Disposal Facility**

Description: Waste disposal facilities are any areas used for the disposal of solid wastes including those defined by Wisconsin Statutes 144.01(15), but not including composting operations (see Subsection (f), below).

1. Permitted by Right: Not applicable.
2. Conditional Use Regulations {~~RH and HI~~ EX}:

24. That subsubsection (f) Composting Operation of subsection (5) Storage or Disposal Land Uses of Section 98-206 Detailed Land Use Descriptions and Regulations of the City of Lake Geneva Zoning Ordinance is hereby amended to read as follows:

Description: Composting operations are any land use devoted to the collection, storage, processing and or disposal of vegetation.

1. Permitted by Right: Not applicable.
2. Conditional Use Regulations {~~RH and HI~~ EX}:

25. That subsubsection (d) Extraction Use of subsection (7) Industrial Land Uses of Section 98-206 Detailed Land Use Descriptions and Regulations of the City of Lake Geneva Zoning Ordinance is hereby amended to read as follows:

(d) **Extraction Use**

Description: Extraction uses include land uses involving the removal of soil, clay, sand, gravel, rock, minerals, peat, or other material in excess of that required for approve on-site development or agricultural activities.

1. Permitted by Right: Not applicable.
2. Conditional Use {~~RH~~EX}:

26. That Section 98-905 Conditional Use Review and Approval of the City of Lake Geneva Zoning Ordinance is hereby amended in its entirety to read as follows:

Section 98-905 Conditional Use Review and Approval

(1) **Purpose**

(a) The purpose of this Section is to provide regulations which govern the procedures and requirements for the review and approval, or denial, of proposed conditional uses.

(b) Certain uses in situations which are of such a special nature, or are so dependent upon actual contemporary circumstances, as to make impractical the predetermination of permissibility, or the detailing in this ordinance of specific standards, regulation, or conditions which would permit such determination in each individual situation, may be permitted as conditional uses.

(c) ~~Under this Chapter, a proposed conditional use shall be denied unless the Applicant can demonstrate, to the satisfaction of the city, that the proposed Conditional Use will not create undesirable impacts on nearby properties, the environment, nor the community as a whole.~~

(2) **Initiation of Request for Approval of a Conditional Use:** Proceedings for approval of a conditional use may be initiated by an application of the owner(s) of the subject property or authorized agent of the owner(s) of the subject property.

(3) **Application Requirements:** All applications for proposed conditional uses shall be certified as complete by the Zoning Administrator prior to the initiation of this procedure. No placement of the application on any agenda, as an item to be acted upon, shall occur unless said certification has occurred. The item may be placed on any agenda as a discussion-only item, with the permission of the Zoning Administrator, without an application. Prior to the submittal of the Official Notice regarding the application to the newspaper by the City Clerk, the Applicant shall provide 8 copies and 1 digital copy of the complete application as certified by the Zoning Administrator. Said complete application shall be comprised of all of the following:

(a) A map of the subject property showing all lands for which the conditional use is proposed, and all other lands within 300 feet of the boundaries of the subject property, together with the names and addresses of the owners of all lands on said map as the same appear on the current records of the Register of Deeds of Walworth County (as provided by the City of Lake Geneva). Said map shall clearly indicate the current zoning of the subject property and its environs, and the jurisdiction(s) which maintains that control. Said map and all its parts and attachments shall be submitted in a form which is clearly reproducible with a photocopier, and shall be at a scale which is not less than one inch equals 800 feet. All lot dimensions of the subject property, a graphic scale, and a north arrow shall be provided;

(b) A map, such as the Future Land Use ~~Plan~~ Map, of the generalized location of the subject

property in relation to the City as a whole;

(c) A written description of the proposed conditional use describing the type of activities, buildings, and structures proposed for the subject property and their general locations, as well as the number of employees and the hours of operation;

(d) A site plan of the subject property as proposed for development. Said site plan shall conform to the requirements of Section 98-908(3). If the proposed conditional use is a cluster development (per Section 98-206(1)(b) through (f)) or a group development (per Section 98-208) a proposed preliminary plat or conceptual plat may be substituted for the required site plan, provided said plat contains all information required on said site plan per Section 98-908;

(e) ~~As an optional requirement, the Applicant may wish to provide written justification for the proposed conditional use consisting of the reasons why the Applicant believes the proposed conditional use is appropriate, particularly as evidence by compliance with the standards set forth in Subsection (4)(b)1. 6., below.~~ Written justification for the proposed conditional use demonstrating evidence that the application conforms to the findings described in Subsection (4)(d), and meets any additional standards required in the applicable zoning district;

(f) Anticipated daily traffic, types and weights of vehicles, and any provisions, intersection or road improvements or other measures proposed to accommodate increased traffic. A Traffic Impact Analysis (TIA) meeting Wisconsin Department of Transportation requirements for content and format may be required by the City if deemed necessary by the Zoning Administrator.

(g) Compliance with stormwater and erosion control standards.

(h) Anticipated noise, odors, dust, soot, runoff, pollution, exterior storage, vibration, glare, or lighting, and measures taken to mitigate impacts to neighboring properties. Refer to Article VII for all performance standards.

(i) A listing of hazardous, toxic, or explosive materials stored on site, and any spill containment, safety, or pollution prevention measures taken.

(j) Written description of how the proposed conditional use and all requirements established by the City relating to the conditional use are or shall be satisfied.

(4) **Review by The Zoning Administrator:** The proposed conditional use shall be reviewed by the Zoning Administrator as follows:

(a) The Zoning Administrator shall determine whether the application is complete and fulfills the requirements of this Chapter. If the Zoning Administrator determines that the application is not complete or does not fulfill the requirements of this Chapter, he/she shall return the application to the Applicant. If the Zoning Administrator determines that the application is complete, he/she shall so notify Applicant.

(b) The Zoning Administrator may coordinate review with other City Departments.

(c) The Zoning Administrator shall review the complete application and evaluate the proposed conditional use against the findings listed in Subsection (d), below.

(d) Upon notifying the Applicant that his application is complete the Zoning Administrator shall review the application and evaluate and comment on the written justification for the proposed conditional use provided in the application and for compliance with the standards of Subsection (4)(d)1.-6. below: ~~The zoning administrator shall also evaluate the application to determine whether the requested is in harmony with the recommendations of the city's comprehensive plan,~~

1. The proposed conditional use (the use in general, independent of its location) is in harmony with the purposes, goals, objectives, policies and standards of the City of Lake Geneva Comprehensive Plan, this Chapter, and any other plan, program, or ordinance adopted, or under consideration pursuant to official notice by the City.
2. The proposed conditional use (in its specific location) is in harmony with the purposes, goals, objectives, policies and standards of the City of Lake Geneva Comprehensive Plan, this Chapter, and any other plan, program, or ordinance adopted, or under consideration pursuant to official notice by the City.
3. The proposed conditional use, in its proposed location and as depicted on the required site plan, does not result in a substantial or undue adverse impact on nearby property, the character of the neighborhood, environmental factors, traffic factors, parking, public improvements, public property or rights-of-way, or other matters affecting the public health, safety, or general welfare, either as they now exist or as they may in the future be developed as a result of the implementation of the provisions of this Chapter or any other plan, program, map, or ordinance adopted or under consideration pursuant to official notice by the City or other governmental agency having jurisdiction to guide development.
4. The proposed conditional use maintains the desired consistency of land uses, land use intensities, and land use impacts as related to the environs of the subject property.
5. The proposed conditional use is located in an area that will be adequately served by, and will not impose an undue burden on, any of the improvements, facilities, utilities or services provided by public agencies serving the subject property.
6. The potential public benefits of the proposed conditional use outweigh all potential adverse impacts of the proposed conditional use (as identified in Subsections 1. through 5., above), after taking into consideration the Applicant's proposal and any requirements recommended by the Applicant to ameliorate such impacts.

(e) The Zoning Administrator shall forward the report per (4)(d) to the Plan Commission for the Commission's review and use in making its recommendation to Common Council. ~~If the Zoning Administrator determines that the proposal may be in conflict with the provisions of the city's Comprehensive Plan, the Zonign Administrator shall note this determination in the report.~~

(5) **Review, Public Hearing, and Recommendation by the Plan Commission:** Common Council shall not approve a conditional use without allowing for a recommendation from the Plan Commission per the provisions of this Subsection.

(a) The Plan Commission shall schedule a reasonable time and place for a public hearing to consider the application within 45 days after the acceptance and determination of the complete application as determined by the Zoning Administrator. A public hearing may be held more than 45 days from the filing of the complete application when requested by the applicant in writing. The Applicant may appear in person, by agent, and/or by attorney. Notice of the proposed conditional use and the public hearing shall conform to the requirements of Section 62.23(7)(de) of the Wisconsin Statutes. Said notice shall contain a description of the proposed conditional use. In addition, at least ten days before said public hearing, the City Clerk shall mail an identical notice to the Applicant, and to the Clerk of any municipality whose boundaries are within 1,000 feet of any portion of the jurisdiction of this Chapter. Failure to mail said notice, provided it is unintentional, shall not invalidate proceedings under this Section.

1. Statements of personal preferences or speculation not based on substantial evidence must

be disregarded by the Plan Commission. Substantial evidence means facts and information, other than merely personal preferences or speculation, directly pertaining to the requirements and conditions an applicant must meet to obtain a conditional use permit and that reasonable persons would accept in support of a conclusion.

2. The Plan Commission may request further information and/or additional reports from the Zoning Administrator, applicant, and/or from any other source. If such necessary expertise is not available from City Staff, public academic institutions, or from appropriate regional, state, or federal agencies, the committee may consult with a third party to effectively evaluate a conditional use permit application. The application for the conditional use permit shall bear all reasonable costs and expenses associated with such consultation. Applicants retain the right to withdraw a pending conditional use permit application if they choose not to pay consultant fees.

3. The Plan Commission shall hear all substantial evidence regarding the proposed Conditional Use Permit from staff, the applicant, and the public during the public hearing. Any evidence not deemed substantial evidence as defined in Section 5(a)(1), above, shall not be admissible.

(b) At the public hearing, the Zoning Administrator shall provide a written Report of Preliminary Recommended Findings. The report shall contain, at minimum, all substantial evidence presented in the public hearing, evaluation of compliance with the standards of Subsection (4)(d)1.-6., the recommended findings, and the recommended motion to either approve the use as originally proposed, approve the proposed conditional use with modifications and/or conditions, or deny approval of the proposed conditional use.

(c) The Plan Commission shall consider the report and may take final action by resolution on the application to either approve the use as originally proposed, approve the proposed conditional use with modifications and/or conditions, or deny approval of the proposed conditional use. Final action by the Plan Commission action shall consist of all of the following:

1. The formal finding of facts concerning the requirements of (4)(b d)1. through 6.

2. The City's decision to approve or deny the permit must be supported by substantial evidence. Any condition imposed by the City must be related to the purpose of the ordinance and be based on "substantial evidence" as defined in Wis. Stat. 62.23((7)(de)1.b.

   (a) Conditions, if based on substantial evidence, may include, and are not limited to the following, as well as other conditions necessary to meet the findings above: (1) Expiration dates on conditional use permits, except for permits for communication towers under Section 98-206(7)(c). Continuation or extension of an expired conditional use requires re-application and approval by the Plan Commission and Common Council. (2) Limits on hours or days of operation, or number of events each year. (3) Limits on numbers of employees. (4) Limits on numbers of total people, vehicles, or animals on the premises at any one time. (5) Limits on total quantity or volume of product on the premises at any one time. (6) Limits on square footage of buildings or outdoor areas devoted to the proposed use.

3. The conditions described under Subsection a., above, must be reasonable and, to the extent practicable, measurable and may include conditions such as the permit's duration, transfer, or renewal.

4. The applicant must demonstrate whether the application and all requirements and conditions established by the City related to the conditional use are or will be satisfied, both of which must be supported by substantial evidence per Subsection (6)(a)(1).

5. If an applicant for a conditional use permit meets or agrees to meet all of the requirements and conditions specified in this Title, or those imposed by the Plan Commission and the Common Council, the City shall grant the conditional use permit.

(d) If the Plan Commission fails to make a report within 60 days after the filing of said complete application (and in the absence of an Applicant-approved extension per (b), above), then the Common Council may hold a public hearing within 30 days after the expiration of said 60-day period. Failure to receive said written report from the Plan Commission per Subsection (5)(a), above, shall not invalidate the proceedings or actions of Common Council. If such a public hearing is necessary, Common Council shall provide notice per the requirements of Subsection (a), above. State Law Reference: Section 62.23(7)(de).

(6) **Review and Action by Common Council:** Common Council shall consider the Plan Commission's recommendation regarding the proposed conditional use. The Council may request further information and/or additional reports from the Plan Commission, Zoning Administrator, and/or the Applicant. The Council may take final action on the application at the time of its initial meeting or may continue the proceedings at the Applicant's request. Common Council may approve the conditional use as originally proposed, may approve the proposed conditional use with modifications (per the recommendations of the Zoning Administrator, the Plan Commission, authorized outside experts, or its own members), or may deny approval of the proposed conditional use. The Common Council's approval of the requested conditional use shall be considered the approval of a unique request and shall not be construed as precedent for any other proposed conditional use.

(a) Final action by the Common Council shall consist of all items listed in Section (5)(C)1.-5., above, and any modifications or additions as determined by the Common Council.

(7) **Appeals of a Common Council Decision of a Conditional Use Permit:** Any persons aggrieved by any decision of the Board of Appeals may present to a court of record a petition, duly verified, setting forth that such decision is illegal and specifying the grounds of the illegality. Such petition shall be presented to the court within 30 days after the filing of the decision in the offices of the City Clerk.

(8) **Effect of Denial:** No application which has been denied (either wholly or in part) shall be resubmitted for a period of 365 days from the date of said order of denial, except on grounds of new evidence, or proof of change of factors, is found to be valid by the Zoning Administrator.

(9) **Revocation of an Approved Conditional Use:** Upon approval by Common Council, the Applicant must demonstrate that the proposed conditional use meets all conditional use requirements in the site plan required for initiation of development activity on the subject property per Section 98-908. Once a conditional use is granted, no Erosion Control Permit, Site Plan approval (per Section 98-908), Certificate of Occupancy (per Section 98-909), or Building Permit shall be issued for any development which does not comply with all requirements of this Chapter. Any conditional use found not to be in compliance with the terms of this Chapter shall be considered in violation of this Chapter and shall be subject to all applicable procedures and penalties. A conditional use may be revoked for such a violation by majority vote of the Common Council, following the procedures outlined in Subsections (2) through (7), above. The City shall provide the property owner with appropriate served notice to consider revocation.

(10) **Time Limits on the Development of Conditional Use:** The start of construction of any conditional use shall be initiated within 365 days of their approval by Common Council and shall be operational within 730 days of said approval. Failure to initiate development within this period

shall automatically constitute a revocation of the conditional use. For the purposes of this Section, "operational" shall be defined as the granting of a Certificate of Occupancy for the conditional use. Prior to such a revocation, the Applicant may request an extension of this period. Said request shall require formal approval by Common Council and shall be based upon a showing of acceptable justification (as determined by Common Council). However, as a condition of approval, the 365-day and/or 730-day time limits may be extended for any specific period to accommodate phased or multi-stage development.

(11) **Discontinuing an Approved Conditional Use:** Any conditional use which have been discontinued for a period exceeding 365 days shall have their conditional use invalidated automatically. The burden of proof shall be on the property owner to conclusively demonstrate that the subject conditional use was operational during this period.

(12) **Modification, Alteration, or Expansion.** Modification, alteration, or expansion of any conditional use in violation as approved per (6), above, without approval by Common Council, shall be grounds for revocation of said conditional use approval per (9), above.

(13) **Change of Ownership:** All requirements of the approved conditional use shall be continued regardless of ownership of the subject property, except where limited explicitly by the Common Council.

(14) **Limited Conditional Uses:** A limited conditional use is any development, activity, or operation for which a conditional use permit has been approved that is limited to a specific operator or property owner, or to a specific date or event upon which the conditional use permit either expires or is required to be reviewed and reapproved. The Plan Commission may require any proposed conditional use request to be a limited conditional use. The Plan Commission shall specify which of the following characteristics, based on substantial evidence, are present that create the need for the limited conditional use:

(a) A particular aspect of the specific land use.

(b) A particular aspect of the proposed operation (including, but not limited to, operating hours).

(c) A particular aspect of the proposed location.

(d) A particular aspect of the proposed site design.

(e) A particular aspect of the adjacent property or of the surrounding environs.

(f) Any other reason(s) the Plan Commission deems specifically relevant and material.

(15) **Successor Conditional Uses.** A successor conditional use is a land use which has been granted a conditional use permit by the City, which is proposed to undergo one or more of the following changes:

(a) Changing from the specific use originally permitted by the conditional use to another operation of the same use within 365 days of the ending of the original use. For example, changing from one restaurant to another is permitted. However, changing from a restaurant to a tavern is not permitted even though both are considered Indoor Commercial Entertainment land uses. Likewise, changing from a drive-through restaurant to a drive-through bank is not permitted, even though both are considered a Drive-Through under In-Vehicle Sales and Service.

(b) A change in the ownership of the subject property.

(c) A change in the ownership of the business or other operator of the land use.

(d) Other changes explicitly identified in a previously issued conditional use permit that are identified as acceptable successor conditional uses.

(e) Purpose: The purpose of these provisions is to create a process that: (1) reduces the costs and time needed to approve a successor conditional use. (2) Verifies that the proposed change is a valid successor conditional use. (3) Creates a record that the proposed change is approved. (4) Provides the land use and City with a list of all applicable requirements.

(f) Proposed Expansions Are Not Eligible. Any physical enlargement of a previously approved conditional use in terms of buildings, structures, activity areas, and/or any expansion fo the conditions of operation beyond the limits of site plans, floor plans and conditions of operation (i.e. peak traffic) approved through the conditional use process shall not be eligible for treatment as a successor conditional use and must seek an amendment to its conditional use permit through the conditional use process.

(g) Limited Conditional Uses shall not be eligible for treatment as a successor conditional use.

(16) ~~**Notice to the DNR:** The Plan Commission shall transmit a copy of each application for a conditional use for conservancy regulations in the Shoreland-Wetland, Floodway, Floodplain, or Floodfringe Overlay Zoning Districts to the Wisconsin Department of Natural Resources (DNR) for review and comment at least 10 days prior to any public hearings. Final action on the application shall not be taken for 30 days or until the DNR has made its recommendation, whichever comes first. A copy of all decisions relating to conditional uses for shoreland-wetland conservancy regulations or to floodland regulations shall be transmitted to the DNR within 10 days of the date of such decision.~~

(17) **Recording of Conditional Use Requirements:** Except for conditional use approvals for temporary uses, a certified copy of the authorizing resolution, containing identifiable description and any specific requirements of approval, shall be recorded by the City with the County Register of Deeds office. The City shall record modifications, alterations, and expansions as well as expired or revoked conditional use permits.

(18) **Uses Now Regulated as Conditional Uses which were Approved as Legal Land Uses -- Permitted by Right or as Conditional Uses -- Prior to the Effective Date of this Chapter:** A use now regulated as a conditional use which was approved as a legal land use -- either permitted by right or as a conditional use -- prior to the Effective Date of this Chapter shall be considered as a legal conforming land use so long as the previously approved conditions of use and site plan are followed. Any modification of the previously approved conditions of use or site plan shall require application and City consideration under this Section.

(19) **Fee:** One or more fees are required for this procedure. Refer to Section 98-935(1)(d).

27. That this ordinance shall take effect upon passage and publication, as provided by law.

Approved by the City of Lake Geneva Common Council on this 27th day of June, 2022.

EMERGENCY SERVICES AGREEMENT
BETWEEN THE TOWN OF GENEVA
AND THE CITY OF LAKE GENEVA

WHEREAS, the Town of Geneva, without its own Fire services department finds it necessary to contract with other municipal entities, including the City of Lake Geneva Fire Department (LGFD), to provide these services to the Town of Geneva citizens and property, together with those traveling in or through the Town of Geneva; and

WHEREAS, the parties deem it to be the best interest of the Town of Geneva and the City of Lake Geneva to maximize fire protection, by entering into an agreement regarding providing such services; and

WHEREAS, the City of Lake Geneva and Town of Geneva. deem it to be in their best interests for the purpose of maximizing fire protection and emergency medical services and minimizing costs, to enter into an agreement for fire protection and emergency medical services; and

WHEREAS, Section 66-0301, Stats., allows municipalities to contract with other municipalities for the receipt or furnishing of services required or authorized by law;

NOW, THEREFORE, the Town of Geneva, Wisconsin, and the City of Lake Geneva, Wisconsin, the parties hereto enter into the following agreement for fire protection and emergency medical Services:

1. Term of Agreement: The initial term of this Agreement shall be for three (3) years from January 1, 2022 until December 31, 2024. The term of this Agreement shall be automatically extended for an additional term of three (3) years and for additional periods of three (3) years thereafter.

2. Coverage. The area to which the City of Lake Geneva shall provide services as described herein to the Town of Geneva is described in more detail in a map attached to this agreement as Exhibit l and incorporated herein by reference.

3. Change of Boundaries: Any party that wishes to make changes to the current service area boundaries (Exhibit l) must notify the other party of 'its intention one (l) year before such boundary change shall take effect. After the one (l) year notice expires, the municipality's percentage of coverage and proportionate share of expenses for the purposes of paragraph 6a shall be immediately added or subtracted based upon a three (3) year rolling average of emergency and other calls for services utilized within the area added or subtracted. Notice shall.be provided in accordance with the "Notice" section of this agreement.

4. Annexation: Any property in the Town of Geneva associated with this agreement that the City of Lake Geneva begins annexations proceedings against shall be immediately adjusted in Exhibit 1.

5 Services to be provided. The City of Lake Geneva, Walworth County, Wisconsin, shall provide fire protection and emergency medical services, utilizing City of Lake Geneva equipment and personnel pursuant to the contract herein. Services provided herein shall include, but not to be limited to, responding on behalf of the Town of Geneva to fires, ambulance requests, fire protection calls, fire inspections, and similar services.

6. Compensation.

a. FORMULA FOR EXPENSE ALLOCATION: Each year, the Town will pay a proportionate share the City's operating, capital, and maintenance expenses for fire protection and emergency medical services based upon a 3-year rolling average of emergency and other calls for service within the territory described in Exhibit I compared to the operating, capital, and maintenance expenses utilized in the City.

b. For capital expenditures the Town shall share in the cost of purchase for l engine, 1 ambulance, and I staff vehicle as calculated under 6(a) and per the below projected cost amortized over the life span of the vehicle

a) Engine- $850,000.00, 20 year life span, $42,500.00 per year
b) Ambulance- $350,000.00, 15 year life span, $23,334.00 per year
c) Staff vehicle- $75,000.00, 10 year life span, $7,500-00 per year

Example- $2,000,000.00 operating budget, Town of Geneva call volume rolling average is 10%. Expense allocation due to the City is $200,000.00 towards operating expenses and $7,333.00 for capital equipment replacement for that year.

c. For the purposes of this agreement, one fire response as stated herein, shall be defined as an emergency call that the LGFD is dispatched out to respond, regardless of the number of LGFD vehicles, and regardless of the duration of any such response.

d. Service Area.
Service area shall be as depicted on attached Exhibit 1.

The Town of Geneva shall have included in their rolling average any calls for service whose location is outside the service area in Exhibit 1, which results from a direct call to the Lake Geneva Fire Department or Lake Geneva Police Department.

The Town of Geneva understands and agrees that any such calls from outside the service area in Exhibit. I shall be "hot keyed" to Walworth County dispatch. The City of Lake Geneva, the Lake Geneva Fire Department, and the Lake Geneva Police Department shall not be responsible or liable for any delays in response by following the procedure, and shall have no obligation to respond directly to any such calls from residents located in areas outside the service area in Exhibit l.

The costs associated with this agreement will be reviewed semi-annually.

e. Dispatch. Dispatches shall be by the Walworth County Dispatch, direct calls to the LGFD or Lake Geneva Police Department or by similar procedures to summon a

response. The initial response 'shall be with such equipment that is required according to LGFD protocol or by the standard operating procedures of LGFD.

The Town of Geneva acknowledges and agrees that all calls directly to the Lake Geneva Police Department or LGFD will be handled in the following manner: The Police Department will dispatch its own equipment and personnel according to their internal protocol. The call will then be forwarded to the Walworth County dispatch for handling.

f. Cancelation of Response or Equipment. If excess equipment or personnel arrive, as determined by the incident commander, any such excess equipment or personnel shall be returned to the City of Lake Geneva or made available as soon. as possible to respond to other incidents.

g. Fire Inspection. The LGFD shall conduct fire inspections semi-annually for all public businesses located in the LGFD service territory for the Town as shown in. Exhibit 1. inspections shall be conducted under the Department of Safety and Professional Services Administrative Code, employing the NFPA 1 standards. Any violations which are not corrected as directed by the Fire Inspector shall be reported to the Town of Geneva Building Inspector, who shall report said violations to the Town of Geneva Police Department for issuance of citation and prosecution in the Municipal Court. The Fire Inspector shall cooperate as necessary to prosecute such violations, as part of the fee herein.

h. Ambulance Transports. The LGFD shall be the primary responder to for all ambulance calls in the LGFD territory shown on Exhibit 1. The LGFD shall have the right to bill the end user or receiver of any ambulance transport or emergency services in the Town of Geneva, including any applicable response fees shown on the attached Exhibit 2.

i. Department of Safety and Professional Services Funds: All dues payable by the Department of Safety and Professional Services under § 101.573, Wis. Stats., shall be paid to the City of Lake Geneva Fire Department based upon the proportionate area of the municipality serviced by the fire department. Dues received under § 101.573, Wis. Stats., may only be used as an offset of the amount owed by the Town of Geneva to the City of Lake Geneva for contributions for the purchase or replacement of equipment.

j. Lake Como Response and Services. The Lake City of Lake Geneva agrees to work in conjunction with the City of Elkhorn Fire Department to establish boundaries for the performance of their regulatory and response duties on Lake Como. Upon the City of Lake Geneva and the City of Elkhorn Fire Departments reaching an agreement, the established territories will be shown on an Exhibit 3 to this agreement.

7. Insurance Coverage. The LGFD shall be an independent contractor for the Town of Geneva for these services. LGFD shall maintain liability, errors and omissions and motor vehicle collision, workman’s compensation, and liability coverage for all LGFD personnel performing services pursuant to this agreement, and shall indemnify and hold harmless the Town of Geneva for any and all services performed under or pursuant to this

contract. LGFD personnel shall be compensated by the City of Lake Geneva, without contribution from the Town of Geneva, other than as provided in this Emergency Services Agreement. Notwithstanding the foregoing, the Town of Geneva agrees and understands that the LGFD has limited liability under Sec. 893.80, Wis. Stat., and continues to have municipal immunities available to municipal fire departments in the State of Wisconsin and the hold harmless agreement stated herein is subject to such limitations of liability and municipal immunities.

8. Opt Out. The Parties to this agreement may terminate this agreement prior to the final date of the term stated herein. At least six months prior to the date of termination of this agreement, the party terminating this contract shall deliver to the municipal offices for the other participant to this contract, a written notice terminating this agreement. Termination herein may be made with or without good cause. The 6-month notice of termination shall be intended to provide adequate notice to the parties to make other safety arrangements as necessary to effectuate the best interests of each respective municipality. If either party elects to opt out of this agreement as provided herein, such elections shall be effective at the end of a calendar month. If this agreement is terminated during a calendar year, any unused portion of the general annual retainer fee, broken down by months, for which services has been opted out, shall be reimbursed to the Town of Geneva, within sixty days of the termination of this agreement.

9. Monthly Activity Reports. The LGFD Fire Chief shall provide a written summary of all activities performed pursuant to this contract to the Town of Geneva at the monthly meeting at the City of Lake Geneva Police and Fire Commission. Said report shall include a listing and identification of all fire calls, EMS calls, "false alarms", and fire inspection calls, together with any other work performed herein.

10. Payment Procedures. The City of Lake Geneva shall provide a bill to the Town of Geneva on a semi-annual basis (March, June, September, and December July 1st and December 31st of each year herein) for all fees. The amount determined by the rolling average shall be billed to and paid by the Town in two equal installments. The town shall make payment pursuant to any semi-annual bill within 30 days thereafter. At the request of the Town of Geneva, quarterly invoices may be provided to the Town of Geneva for review purposes. The 3-year rolling average of calls shall be calculated and determined on January 1st of each year and used in that year for calculating operating and capital replacement expenses. The 3-year rolling average, operating expenses and capital replacement expenses shall be recurring calculations each year.

11. During the term of this Agreement, the Town of Geneva shall not add any fees contemplated by this agreement on to the Municipal Levy Limit Worksheet, Department of Revenue Form SL-202m that would require the City of Lake Geneva to lower its levy limit. A violation of this covenant shall permit the City of Lake Geneva to terminate this Agreement immediately upon notice to the Town of Geneva.

12. Entire Agreement: This agreement supersedes any and all other agreements previously made between the parties relating to the subject matter of this agreement and there are no understandings or agreements other than those incorporated in this agreement. This agreement may not be modified except by an instrument in writing duly executed by all

parties.

13. Severability: If any provision of this agreement shall under any circumstances be deemed invalid or inoperative, this agreement shall be construed with the invalid or inoperative provision deleted and the rights and obligations construed and enforced accordingly.

14. Arbitration of Differences. If the parties have a disagreement regarding the implementation or interpretation of any aspect of this agreement; either party may elect to arbitrate said differences, using the arbitration procedures of Chapter 788, Wis. Stats. However, rather than use a panel of three arbitrators, the parties, if they agree, may jointly select a single arbitrator to decide the dispute. Each party shall pay their own attorney fees and costs related to said arbitration, but costs for the arbitrator and court reporter shall be divided equally between the parties. Specific procedures regarding preparation and conduct for arbitration proceedings shall be determined by the parties, or as ordered by the arbitrator. Any right to seek relief in a court of record shall be governed pursuant to the provisions of Ch. 788, Wis. Stats,

Notice: Notice shall de deemed delivered as of the date of postmark, shall be sent via certified mail, and addressed to all of the following:

CIVIL ENGINEERING SERVICES

This task order is made as of May 17, 2022 under the terms and conditions established in the MASTER AGREEMENT FOR ENGINEERING SERVICES, (the Agreement), between the **City of Lake Geneva** (Owner) and **Kapur & Associates, Inc**. (Engineer). This Task Order is made for the following purpose:

Provide civil engineering services for the design and specification preparation, bidding and construction management for the Center Street Culvert Re-lining (approximately 150-ft).

The proposed task order includes

- Survey throughout the project limits as needed to define construction plans and underground utility locations
- Structural plans and specifications for culvert repair/lining
- Obtaining Chapter 30 permit from Wisconsin Department of Natural Resources (WDNR)
- Construction Engineering Services

Section A. – Scope of Services

Engineer shall perform the following Services:

1. Engineer to attend meetings as required for project success.

2. Survey of work area to provide horizontal site control and benchmark elevations, location of structures, utilities, inverts, elevations and necessary to create a site plan and construction plans.
   a. Above and below ground utilities will be located. Kapur will contact Digger's Hotline for utility markings. Any private utilities that are not marked by Digger's Hotline will need to be located by a private underground marking firm. Below ground utilities will be field surveyed based on Digger's Hotline field marks and private locator marks. Kapur will coordinate private locator visits.
   b. Survey points will be referenced to the horizontal datum NAD 83 and vertical datum NAVD 88.

3. Prepare site geometric / restoration plan in area of repair.

4. Completion of construction plans, details and specifications for Center Street Culvert Repair including erosion control and dewatering plan. Repair consists of removal/replacement and extension of the existing corrugated metal culvert under Center Street downstream of the

Geneva Lake Dam and Primary Spillway. Repair includes pressurized grout injection between installed CMP culvert and existing cobblestone section.

5. Complete and submit application for Chapter 30 permit for navigable waters permit to Wisconsin Department of Natural Resources (WDNR). ***Based on preliminary discussion with WDNR no hydraulic modeling is anticipated and thus is not covered under this task order. Kapur is able to complete hydraulic modeling, with a revision to this task order, if WDNR requires it.***

6. On-site construction inspection services during installation. Including attendance at a pre-construction meeting and on-site inspection.

7. Engineer review of masonry contractors' methods and materials utilized for the repair.

8. It is assumed that the existing Center Street roadway will not be altered with this repair. This proposal does <u>not</u> include removal and replacement of existing Center Street.

9. Provide construction cost estimate for all improvements.

10. Prepare and provide Project Manual including but not limited to Advertisement for Bids, Instruction to Bidders, Bid Form, Bidder's Qualification Statement, Agreement, and General Conditions of Contract, Supplementary Conditions, and Special Provisions.

11. Prepare for and attend the bid opening.

12. Review project bids make recommendation for award, and coordinate notice of award, agreement, and notice to proceed documentation.

13. Attend meetings as required and provide update memos to the Department of Public Works.

- ***Permit and agency review fees are not included as part of this Task Order***
- ***Wetland impacts or the requirement for a wetland delineation is not anticipated at the time of this task order and is not included.***
- ***It is assumed that the proposed improvements will not impact more than 1-acre of land disturbance and thus a Notice of Intent (NOI) from the Wisconsin Department of Natural Resources (WDNR) will not be required.***

Construction Management Activities

1. Provide administrative services to manage client coordination/invoicing, project schedules, contract change order documentation, and contract closeout documentation.

2. Provide construction survey staking for necessary items within the construction contract. This survey provides for a "one time" staking for a particular item. If the contractor damages any stakes, they shall be responsible for the cost to replace those damaged stakes.

3. Coordinate and complete necessary material testing services for work completed.

4. Process payment requests from the contractor for their work and prepare recommendation for payment for City approval. Complete final close out documentation and acceptance of improvements memorandum.

5. The Engineer will be responsible for notifying, scheduling, conducting, documenting, and distributing minutes of the preconstruction conference.

6. Attend meetings and coordinate with adjacent property owners and business as needed.

7. Upon project completion, all as-built information will be transferred to the City GIS system for permanent records. In addition, as-builts, and AutoCAD information will be provided for City record.

Section B. – Schedule

Engineer shall perform the Scope of Services and deliver the related Documents according to the schedule set by the City. For budgeting purposes, engineering cost estimates use 2023 billing rates. A construction cost estimate is provided.

Section C. – Compensation

In return for the performance of the foregoing obligations, Owner shall pay to Engineer an amount not-to-exceed Thirty-One Thousand and Six Hundred dollars ($31,600):

A not-to-exceed amount based on the rates as listed in Attachment A of the Agreement, plus direct expenses. Cost plus services are limited to an agreed maximum figure unless amended.

Engineer may request a change to the billing hours if scope changes, beyond the control of the Engineer, resulting in an extension of the schedule or necessitates a change in personnel.

Compensation for Additional Services (if any) shall be paid by Owner to Engineer according to the hourly billing rates shown in Attachment A of the Agreement.

IN WITNESS WHEREOF, the Owner and Engineer have executed the Task Order.

Livestream Camera Locations and other recommendations from staff:

If the Council decides that it wishes more livestream camera installations:

- Installation at locations as shown on map
- Exact location and angle of cameras to be determined
- Recommend not installing televisions or other types of monitors near camera locations. Screens would be unsightly and clutter the locations. Also issues with vandalism and damage by weather conditions.
- Recommend creating QR codes for people to find the web address for the livestream cameras to see themselves on their own mobile device.
